

Basic Information Form re Volunteers not working directly with members of the public

Thank you for the interest that you have shown in volunteering your time to help at St John's. As you will not be working directly with members of the public, we will not be taking up references. However, you are asked to complete a Confidential Declaration so that we are aware of any past offences.

We value all people at St John's regardless of age, gender, ethnicity, sexuality or ability, whether as members, volunteers or visitors.
